Betti Weimersheimer, Executive Director

With much thanks and gratitude, accomplishing this goal would not be possible without the support of our communities. We support our mission to make certain our members continue to live in the communities where they feel most at home. SPRYE is a true grass roots organization, with one member saying, “I never would have thought we would be able to guide an older adult to a new offering.”

Our goal is to keep our clients happy. We are grateful to so many faithful donors who have helped us continue our relationship.

With your help, we have developed a wonderful recipe for success. By combining our resources, we are able to offer many more services to our community, which SPRYE members are also volunteers. Everyone knows each other, and they help each other in ways we cannot imagine. We are all part of the SPRYE family, and we are in the process of developing a Tribute Wall. Please watch for the announcement of this wall in the upcoming months. It will be a special spot to remember all donor contributions over the years.

Sponsors

A $1000+ Donation provides financial support to SPRYE so we can offer a wide array of programs, help with membership and support our community. Sponsors are like family to us, and we are so grateful for their support. We are happy to announce that SPRYE is once again included in the giving guide of the Westchester County Journal.

SPRYE applications are available in our office. Please contact us to learn more about our membership program.

It is my pleasure to greet you once again. I am happy to report that SPRYE has completed its sixth year; one that was another successful year for SPRYE. We are always just a phone call away from providing our members with the care and support they need. It’s a fluid concept with many different drivers, expectations and challenges of living longer. We want to ensure that SPRYE remains a safe and secure place for our members to continue to live.

We are grateful to so many faithful donors who have helped us continue our relationship. We are grateful to so many faithful donors who have helped us continue our relationship. We are grateful to so many faithful donors who have helped us continue our relationship.

It is our pleasure to present our ANNUAL REPORT for the year 2017. We have included our financial statements and a list of our current and past board members. SPRYE is committed to delivering optimal value for its members and donors. The largest costs are associated with our annual board educational events. The majority of these expenses are underwritten by sponsors. Other expenditures associated with SPRYE’s services and programs.
